Password Reset User Guide

If you forget your password and need to reset it, our website provides the ability to handle this without the need for our staff to reset your password.

Note: our staff cannot see your password, but we do have the ability to reset your password for you after we verify your identity.

Resetting your password uses the following steps:

Visit our login page at: www.alarmax.com/account/login and click the "Forgot Your Password?" link (1).

Password Reset User Guide

Enter your registered email address in the email box (1) and click Submit

When you submit your email address, you will receive an email from us with a link that will prompt you to enter the PIN Code provided (1)

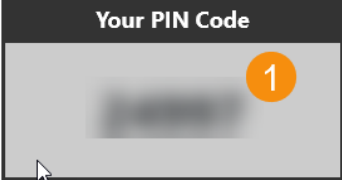

You will receive an email that looks similar to the image below. Click the "Reset Password" link (1) to return to our site and enter your PIN number.

Password Reset User Guide

Password Reset

Reset Password ①

When you arrive at our site, you will be asked to enter your 5-digit PIN. Once verified, you will be asked to enter a new password.
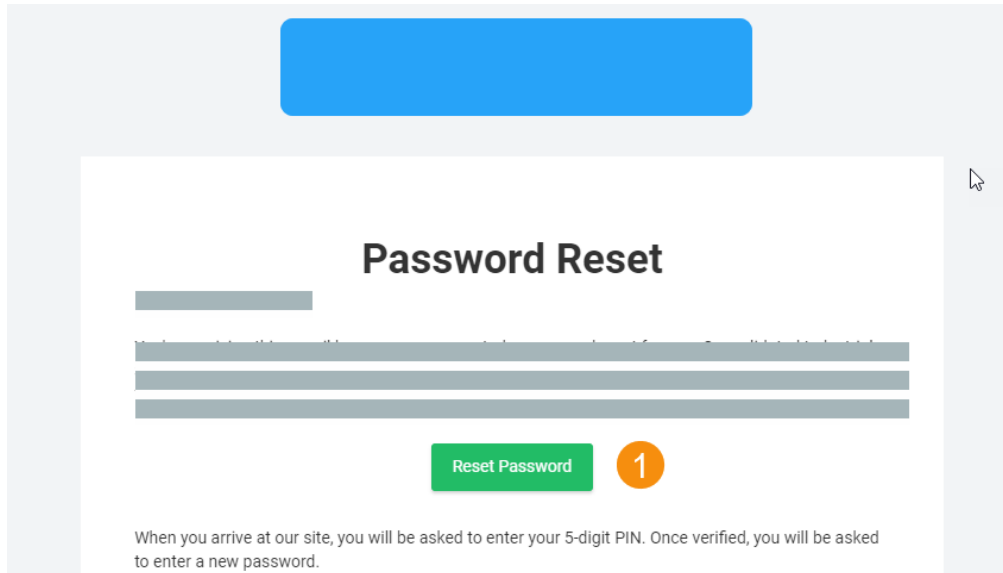

Enter the PIN number you received when you requested your password reset in the box (1) and click the "Verify PIN" button (2).

Change Password

Please enter your 5-Digit PIN code from the previous page:

② Enter PIN Here   Verify PIN ②

Once you verify your PIN number, you will be asked to create a new password. Enter your new password in both boxes and click the "Change Password" button (1)

Password Reset User Guide

After you click Change Password, your password will be set to whatever value you supplied.
