

Curve Wireless Optical Mouse

USB, Five Button with Scroll Wheel, 1600 dpi, Gray/Black

Part No.: [179379](#)

EAN-13: 0766623179379 | UPC: 766623179379

The Manhattan Curve wireless optical mouse combines modern design with advanced precision and high-stabilization performance. Its top-mount push-button instantly shifts resolution from 800, 1200 and 1600 dpi to suit a wide range of applications, including routine computing tasks or computer games and editing requiring a fine touch. Its full-sized shape and five-button configuration provide direct access to essential commands with minimal wrist movement. A non-slip texture applied to critical surfaces helps provide a secure, comfortable grip. The remarkably small yet powerful USB micro receiver with 2.4GHz technology provides an effective range of up to 10 m (33 ft.) and stores in a special on-board compartment or remains installed for true wireless convenience. An auto power management helps maintain proper battery levels for reliable operation. Plug-and-play capability and Windows and Mac OS compatibility offer quick and easy installation. The Curve wireless optical mouse requires little maintenance for long-term, dependable service.

Features:

- Precision optical performance in an agile, modern design with USB micro receiver
- 2.4GHz RF technology offers wireless freedom with effective range up to 10 m (33 ft.)
- Auto power management helps maintain proper battery levels
- On-board storage compartment protects USB receiver from loss and damage
- Top-mount push-button control instantly shifts resolution from 800, 1200 and 1600 dpi
