Napco introduces Prima: The Smarter All-in-One System, with revolutionary 5-Minute Install, for adding more residential RMR-Accounts/Day than ever possible - "Installers Optional". Have your salesperson put it in, while he's already there, or ship it and do it along with your customer, remotely. With Prima's built-in step-by-step, on-screen setup videos, it's so easy, they can do it themselves. Put an end to Labor Backlogs and Maximize Accounts! The 7" Prima® Super Panel for Security/Fire/Video & Automation features a 5-Step Wizard, and one-button "Go-Live" Central Station-Connect. Preventing costly truck-rolls, Smart Self-Healing Wi-Fi Video & Doorbells with AI, keep actively fixing any network connectivity issues for you, behind the scenes. All the while, you stay in control & up to date, in real-time with Prima's unbeatable team of all-new powerful backend & mobile dealer dashboard plus nicer, lower monthly costs for full interactive services & advanced dual WiFi + cellular communications. And, consumers will love the integrated remote Napco Prima App, too. >>

Simply smarter, Prima has everything you want & nothing you don't, in 2 money-saving kits from NAPCO, the name known for professional security & reliability for decades.

SPECIFICATIONS

Napco's Prima Super Panel, is a slim profile all-in-one 7" panel, intuitively, beautifully controlling security, fire, HD Video and Z-Wave Plus automation. Beyond sleek-style, what separates it from all others, is its revolutionarily easy 5-minute installation. It's so easy, with simple sensors, onscreen how-to tutorials and account creation wizard, one-button video camera activations, and "go-live" central station-connect feature, whether you choose to have your salesperson install it same-day, or use it *Installer-Optional*, as a "DIY/Do It With Me" system (with your customer) or new Ship/Self-Setup Solution, with Prima you can create more RMR-earning accounts per day than ever before, saving labor, backlogs & scheduling headaches, all nice & neatly.

Prima's everything you'd want, nothing you don't. A natural crowd-pleaser, including all today's wow-factor consumer features, such as voice-assistant, 4MP camera, onscreen 2-way live video from cameras or doorbell, and a host of pro upsell accessories for all your residential system needs. Prima Video Cameras feature unbeatable self-healing video WiFi, so they stay connected, while you stay put- avoiding costly truck rolls over silly, nuisance network issues, like password or router changes. Video Doorbells are a billion-dollar market: Prima HD Video Doorbells, hardwired or wireless, are the easiest & best on the market, w/AI Human-Detection, 1-button activation, siren & LED on alarm, long-life and self-healing connectivity that goes the distance, and auto-corrects WiFi issues invisibly, all behind the scenes, to outperform any others out there.
